## New Beginning, New Horizons, New Collaborations

SRGOC family is highly elated to welcome Mr. Peter Jirku from Prague, Czech Republic. As they team up, they look forward for an innovative and collaborative journey in the field of Management and Computer Science Engineering.

## Industrial Visit

An enriching industrial visit to J.B Mangharam (Gwalior) was organized for MBA 1st Sem students on January 05, 2024 to foster practical insights for our future business leaders. The students learnt about the working, environment and production of 50-50, Jim Jam, Bourbon, Good Day, and many more products. They interacted with the employees and understood the working at the site. They explored the realms of opportunities open for them.

“For me it's great, an opportunity to learn practically through interaction, working methods and employment practices. Visiting a company gives you a practical perspective on the world of work.”

## Republic Day Celebrations

The day was celebrated at SRGOC with great éclat. The university building was tastefully decorated with flowerpots and National flags. This event began by unfurling of our national flag by Honorable Secretary Harendra Sharma which was followed by the parade by NCC Cadets. Then awards and certificates were distributed to NCC cadets who had earned their name and fame at various levels. After this a heart throbbing cultural program including skits and dance performances made the audience spell bound. Thenafter the managing committee, Director and Principal gave speeches and the new members introduced themselves. At the end refreshments were served to everybody. We were beside ourselves with joy. The Sanskriti Club, Shrijan Club, and NCC joined hands to compose the grandeur of the 75th Republic Day celebrations at SRGOC.
