## Welcome To New Director :-

We welcome our honourable Director, SRIIT, Dr. Rajiv Saxena, to the SRGOC family! With his wealth of knowledge, experience and visionary leadership - We are all set to embark on a journey of excellence and innovation like never before. Extending a warm welcome to Dr. Rajiv Saxena as we gear up for an exciting new chapter at SRIIT!

## A Cherished Welcome to our Advisory Board Member of SRIIT:-

The Management, staff and students welcome Dr. Geetam Singh Tomar who has joined SRIIT as our Advisory board Member. We look forward for your valuable guidance.

Welcome Prof. (Dr.) Geetam Singh Tomar  
as Advisory Board Member of SRIIT

## The miracle of Self discipline:-

A session on 'The miracle of Self discipline' was organised for the students of B.Tech EC/ ME/Civil/ AIDSE. The session was conducted by Prof. Alka Chaturvedi, Dean, Department of Management and Commerce. The speaker focused on the need, importance of discipline and ways to improve discipline.

## Strategies to boost your Self-confidence

A session was hosted by Prof Alka Chaturvedi, for the students of EC/ME/CE & AIDSE on 28 May 2024. The key highlights of the session were as follows.

The trainer focused on the following

- Stop Comparing Yourself to Others:
- Celebrate Your Wins:
- Embrace Failures as Learning Opportunities:
- Step Out of Your Comfort Zone:
- Practice Positive Self-Talk:
- Track Your Progress:
- Treat Yourself with Respect:
- Pursue Your Passions:

The students had a great time learning and shared their knowledge and experience

## Expert Lectures From Engineers to Technocrats:-

"Our students stepped into the future with our expert on engineering for Gen-Z, where seasoned engineers shared insights, strategies, and innovations to empower the next generation of tech-savvy leaders. The trainer Dr. Kishore K Guru. shared his experience and expertise .Our students delved into the intersection of engineering and technology, bridging the gap between traditional practices and the digital landscape. From harnessing cutting-edge tools to navigating dynamic challenges, our panel of experts equipped the aspiring technocrats with the knowledge and skills to thrive in a rapidly evolving world. Embrace the revolution, embrace the future!"  
The coordinator Prof. Rohit Batra

**Workshop on Four stroke Engine overhauling:-**Two days workshop on " Four stroke Engine overhauling" was held in SRIIT. In the workshop, Director SRIIT talked about the importance of this workshop and explained the various aspects of overhauling. HOD Mechanical Engineering Prof. J S Kirar, talked about the stages in maintenance. Dean Academic Prof. Sanjay Bhatele, discussed about importance of practical knowledge vs theoretical knowledge. All the Faculties and students were present on this occasion. The coordinators were Prof. J S Kirar and Prof. H.B. Tripathi.

## TRIBUTE

The Management staff and students mourn the loss of a remarkable educator and a cherished member of our community, Dr. GPKS Prasad Sir. As a former advisory member of Shriram Group of Colleges, his influence and dedication has left an indelible mark on our institution. His wisdom, guidance, and unwavering commitment to excellence have shaped the lives of countless students and colleagues. Dr. Prasad's legacy will continue to inspire us to strive for the highest standards in education and service to others. Our heartfelt condolences go out to his family, friends, and all those whose lives he touched. May his soul rest in peace, and may his memory be a blessing to us all.

REST IN PEACE

**Dr. GPKS Prasad Sir**

FORMER ADVISORY MEMBER  
(SHRIRAM GROUP OF COLLEGES)

The Entire SRGOC Family Pray for Peace and comfort for our Former Advisory Member and his loved ones at this difficult time.

Heartfelt condolences from ShriRam Group of Colleges family

**Expert talk:** -An expert talk was organized for the students of B.Pharma I year Dr. Sapna Malviya HOD, Modern Institute of Pharmaceutical Sciences, Indore shared her expertise. She stated that "Success in a journey not a destination". She emphasized that the students must continuously strive for achieving excellence. Comprehensive approach must be exercised to ensure all round development of a student. In order to excel in Pharmaceutical industry, a UG student is expected to learn or be familiar with:

1. New generation analytical instruments.
2. Environmental and occupational safety guidelines
3. Quality Management System and tools in relation to the same
4. Lean Development
5. Six Sigma

The coordinator of the workshop was Prof. Naveen Tripathi and Mr. Rohit Batra.

## HR Training Session:-

## Mathematics Quiz Competition:-

Congratulations to all the brilliant minds who participated in our exhilarating Mathematics Quiz Competition on 17 and 24 of May! Whether they cracked complex equations like a seasoned mathematician or unraveled geometric mysteries with fineness, their passion for numbers was truly shone. As the dust settles and the final scores are tallied, remember that every problem you solved was a step toward unraveling the universe's secrets. Keep those pencils sharp, and minds sharper, and continue your mathematical odyssey. Until next time, may your integrals converge, your matrices invert, and your theorems stand unshaken!

The quiz was organized by Dr. Alka Pradhan, HOD Mathematics and Dr. Sushil Dhaneliya

## WORK SHOP:-

A hands-on Computer Assembly Training session was organised by Prof. Ajay Shivhare at SRIIT's Hardware Lab on May 24, 2024 to gain valuable practical skills in hardware assembly essential for ME, EC, CSE, and AIDSE fields.
