## *Message from the* **Hon. Secretary**

It is with immense pleasure and pride that I present to you 'the Placement Magazine 2024' of Shriram Group of Colleges. This magazine serves as a testament to the untiring commitments of our faculty, staff, and most significantly, our brilliant students who have made this year a resounding success in placements. At Shriram, we go beyond academics. We nurture our students, honing their skills and igniting their potential to thrive in the professional world. We believe in fostering a well-rounded education, one that equips our graduates with not just technical knowledge but also critical thinking, communication, and problem-solving abilities that are vital assets in today's dynamic job market.

As you flip through the pages of this magazine, you'll encounter inspiring stories of our students who have secured placements in top-tier companies. Their accomplishments are a direct echo of the diligent efforts of our placement team, who work around the clock to bridge the gap between the industry needs and aspirations of our students. This year, we have witnessed a significant increase in the number of contributing companies and the quality of job offered. This is a clear endorsement of the strong reputation that ShriRam has built over the years. It is also a recognition of the exceptional talent pool that our institute fosters.

But our journey doesn't end here. We are constantly determined to elevate the placement experience for our students. We are actively forging new industry partnerships, revamping our curriculum to align with the latest industry trends, and investing in pioneering resources to provide our students, a competitive edge.

The placement record showcased in this magazine is just a glimpse of the success stories that unfold at ShriRam every year. It is a collective effort and the credit goes to each and every member of the ShriRam fraternity .

I would like to express my sincere gratitude to the recruiters who continue to place their trust in our students. Your partnership is instrumental in shaping their futures  
With Best Compliments.

**Mr. HARENDRA SHARMA**

Secretary

ShriRam Group of Colleges. Banmore

## *Message from the* **Treasurer**

The motive of SRGOC is to develop a global outlook to cope-up with the fast moving technology scenario. In addition to this, values with discipline are the hallmark of our institute. Besides, ensuring quality of the students; here the emphasis is not only on academic excellence but the development of the overall total personality of a student. To achieve this goal, add on courses, training in personality development, soft skills, aptitude and reasoning are also provided in our College. We take special care to ensure that new ideas are not merely discussed here but executed. Execution of new ideas helps the faculty and students to tread the path of 'Innovation' which is the catch phrase of our Institution. As excellence is the only criterion for selection of students in placements, we are confident that in due course, promises will become 'Accomplishments' in their particular fields. The Students under the guidance of the training and Placement cell in achieving new heights and creating new records every year.

I am delighted that SRGOC has published the Placement Magazine 2025. The Editorial Board has done a fair job to put up facts before students and parent community. To express one's thought, College Magazine is the best platform and this is what our students have expressed in terms of contributions towards the magazine.

I congratulate Editorial Board and the Training and Placement Departments for unleashing the hidden potential of the students and making this Magazine a chapter of history of SRGOC.

With Best Compliments.

## *Message from the* **Executive Officer**

This Placement Magazine is a powerful testament to the exceptional talent we nurture at ShriRam. I'm thrilled to see our students secure placements at top companies, a undeviating result of their hard work and the dedication of our faculty and staff .

At ShriRam, we go beyond academics. We equip graduates with the critical thinking skills and make them industry-ready with knowledge and expertise they need to thrive. The impressive increase in participating companies and job offers this year validates our commitment to excellence.

Our obligations do not end here. We're constantly forging new industry partnerships, revamping curriculums, and investing in resources to ensure our students remain at the forefront.

This magazine is a celebration of our students' success, a success that belongs to the entire ShriRam family. To our recruiters, thank you for your continued trust. You play a vital role in shaping our students' futures.

Graduates, Congratulations! We are incredibly proud of you. Remember, the ShriRam family is always here to support you on your journey.

With Best Compliments.

## *Message from the* **Executive Director**

Greetings!

It is with pleasure and delight we bring to you this edition of 'the Placement Magazine'. This publication aids as a witness to the indefatigable commitments of our faculty, staff, and brilliant students who have made this year an unquestionable success in placements. The Training and placement cell is committed to its mission which is to provide adequate and best opportunities, internships and placements to our aspirants.

This is a clear ratification of the strong repute that the Shriram Group of Colleges has erected over the years. It is also a recognition of the extraordinary talent pool that our institute nurtures.

I would like to express my sincere appreciation to the recruiters who have placed their confidence in our students. Your corporation contributes in shaping their futures.

With Best Compliments.

A handwritten signature in blue ink that reads "Shivangi".

**Mrs. SHIVANGI SHARMA**

Executive Director

ShriRam Group of Colleges, Banmore

## *Message From* **Director, SRIIT**

It is with immense gratification that I Prof. (Dr.) Pavan Agrawal, Director of SRIIT, contribute to this year's Placement Magazine. Witnessing the success stories of our students who have secured placements in top companies fills me with immense pride.

These placements are a culmination of the unwavering dedication of our faculty, staff, and most importantly, our exceptional students. At SRIIT, we foster a unique learning environment that transcends rote memorization. We cultivate well-rounded individuals equipped with not only technical expertise but also critical thinking, problem-solving, and communication skills that are invaluable assets in today's dynamic job market.

This year's placement record is a testament to the effectiveness of our approach. The quality of companies participating in placements and the impressive job offers extended to our graduates speak volumes about the exceptional talent pool we nurture at SRIIT.

However, we at SRIIT never settle for complacency. We are constantly innovating, forging new industry partnerships, and revamping our curriculum to align with the ever-evolving needs of the industry. This ensures our students graduate with a competitive edge and are prepared to thrive in their chosen fields.

The stories within this magazine are just a glimpse of the many successes achieved by our students. I extend my heartfelt gratitude to the recruiters who continue to place their trust in SRIIT graduates. Your partnership is instrumental in shaping the future of these bright minds.

With Best Compliments.

A handwritten signature in blue ink, which appears to read 'P. Agrawal', is positioned above the printed name and title of the director.

**Dr. PAVAN AGRAWAL**  
Director

ShriRam Institute of Information Technology

## *Message From* **Principal, SRCP**

It is with immense pleasure that this magazine serves as a celebration of our students' achievements and a reflection of the unwavering dedication of our faculty and staff.

This year, we witnessed a remarkable expansion in placement opportunities for our pharmacy students. Not only did the established companies recruit our graduates, but we also saw the emergence of exciting new profiles. Roles like Liaising Officer (Domestic Business) and positions in Export open doors for our students to gain valuable global exposure and contribute to the international pharmaceutical landscape.

This is a testament to the evolving nature of the pharmacy field and our commitment to preparing our students for success in this dynamic environment. We go beyond traditional pharmacy education, equipping our graduates with the necessary skills and knowledge to not only excel in conventional pharmacy roles but also thrive in these new and exciting opportunities.

The stories showcased in this magazine are just a glimpse of the many successes achieved by our students. I would like to express my sincere gratitude to the recruiters who continue to recognize the exceptional talent we nurture at ShriRam College of Pharmacy. Your trust allows our students to forge rewarding careers and make a positive impact on the world.

With Best Compliments.

**Dr. VINAY JAIN**

Principal

ShriRam College of Pharmacy, Banmore

## *Message From* **Principal, SRIPS**

It is with immense satisfaction that I contribute to this year's Placement Magazine. This publication celebrates the achievements of our students and showcases the unwavering dedication of our faculty and staff.

This year, SRIPS has witnessed a phenomenal placement season. We are proud to see our graduates secure positions in top-tier companies across diverse fields like Sales, Marketing, Finance, and Human Resources. This success reflects our commitment to providing a holistic education that equips students with not just theoretical knowledge but also the practical skills and industry-readiness necessary to thrive in the professional world.

At SRIPS, we foster a dynamic learning environment that goes beyond textbooks. We encourage critical thinking, effective communication, problem-solving abilities, and strong leadership potential - all essential qualities for success in today's competitive job market.

The stories within this magazine are a testament to the effectiveness of our approach. We are constantly innovating, keeping our curriculum updated with the latest industry trends, and forging strong relationships with leading companies to ensure our graduates remain at the forefront.

I would like to express my sincere gratitude to the recruiters who continue to place their trust in SRIPS graduates. Your partnership plays a vital role in shaping the careers of our students.

With Best Compliments.

**Dr. ALKA PRADHAN**

Principal

ShriRam Institute of Professional Studies

## *Message From* **CRC & HR Manager**

As Manager of Corporate Relations at ShriRam Group of Colleges, it brings me immense joy to witness the ever-expanding network of companies that partner with us. This year's placements are a true evidence to the strong industry connections that we've built.

Beyond the placements themselves, the caliber of companies that visited our campus is truly noteworthy. Core companies in Computer Science Engineering, Civil Engineering, and Mechanical Engineering were all well-represented, offering exciting opportunities for our talented students. For our MBA graduates, the spectrum was equally diverse, with leading firms in Sales, Finance, and International Business seeking out our sharp minds.

This year also saw a heartening expansion in placement opportunities for our Pharmacy students. We saw new profiles emerge, like Liaising Officer (Domestic Business) and roles in Export, opening doors for our graduates to gain global exposure and contribute to the international pharmaceutical landscape.

These expanded opportunities are a direct result of the tireless efforts of our dedicated team who work tirelessly to forge strong relationships with industry leaders. We understand the importance of aligning our curriculum with real-world needs, and these connections ensure our students graduate with the skills and knowledge that are in high demand.

The vibrant partnerships we've built with these companies are not just about placements; they're about building bridges for the future. We're excited to continue fostering these connections and creating a winwin situation for both our students and the industry.

With Best Compliments.

**Mr. ROHIT BATRA**

CRC & HR Manager  
ShriRam Group of Colleges, Banmore

## Training & Placement Officers

Dear Students,

It is my pleasure to address you through the pages of our esteemed college magazine. As the Training and Placement Officer, I am privileged to witness the growth and development of our students as they embark on their academic journey and prepare for their professional careers.

Our mission in the Training and Placement Cell is to bridge the gap between academia and industry by providing comprehensive training and facilitating placements for our students. We strive to equip you with the necessary skills, knowledge, and confidence to excel in the competitive world beyond these campus walls.

Throughout the academic year, we organize various placement drives, training programs, workshops, and seminars to enhance your technical expertise, communication skills, and overall employability. Additionally, we collaborate closely with leading companies to facilitate internships and placement opportunities for our students across diverse sectors.

I encourage each of you to actively participate in these initiatives, seize every learning opportunity, and strive for excellence in all your endeavors. Remember, your success is not just measured by academic achievements but also by your ability to adapt, innovate, and contribute meaningfully to society.

As you peruse the pages of this magazine, I hope you find inspiration, motivation, and a sense of pride in your accomplishments and aspirations. Together, let us continue to uphold the values of our institution and work towards a future filled with endless possibilities.

Best wishes for a bright and successful future!

A handwritten signature in blue ink that reads "Aditi". The signature is stylized with a circular flourish around the first letter and a long horizontal stroke extending to the right.

**Ms. ADITI BHARDWAJ**

Training and Placement Officer  
ShriRam Institute of Information Technology

## Message From Industry Interaction Cell (SRIIC)

ShriRam Industry Interaction Cell" (SRIIC) is a dedicated unit within ShriRam Group of Colleges that facilitates collaboration and interaction between the institution and industry, aiming to bridge the gap between academia and real-world practices, and to enhance student employability and promote innovation.

As the Head of the Shri Ram Industry Interaction Cell, I successfully organized several industrial visits for students to provide real-world exposure and practical learning beyond classroom theories. The visit enabled students to interact with industry professionals, understand operational workflows, and gain insights into current industry practices.

### The SRIIC majorly focuses on:

- **Bridging the Gap:**  
The primary goal is to connect academic institutions with industries, ensuring that students gain practical knowledge and skills relevant to the job market.
- **Industry Exposure:**  
Organizes industrial visits, guest lectures, workshops, and seminars to provide students with real-world industry experience.
- **Skill Enhancement:**  
Provides students with opportunities to enhance their skills through internships, training programs, and industry collaborations.
- **Career Opportunities:**  
Helps students find internships, placements, and job opportunities within the industry.
- **MoUs and Partnerships:**  
Establishes Memorandums of Understanding (MoUs) and partnerships between the institution and industry to foster collaboration and mutual benefit.
- **Promoting Innovation:**  
Fosters a culture of innovation and entrepreneurship by encouraging students to develop new ideas and technologies.

These initiatives significantly enhance the institute's industry linkage and help bridge the gap between academic learning and industry requirements.

With Best Compliments.

**Mrs. GOLDY DHAWAN**

Head, Industry Interaction Cell  
ShriRam Group of Colleges, Banmore

## Message From Editor

Dear Readers,

It gives us immense pleasure to present to you our latest edition of the Placement Magazine. As the editors of this magazine, we are excited to share with you the stories of our students and their journey towards building a successful career.

As we embark on this exhilarating journey through the pages of this Magazine, I am filled with a sense of anticipation and pride. This magazine is not just ink on paper; it's a window into the world of possibilities, a bridge between aspirations and achievements. At Shriram Group of Colleges, we nurture talents and Shape the future of our students.

We believe that every student who walks through our gates carries within them the seeds of greatness. It is our responsibility to water those seeds, provide the right environment, and watch them bloom into successful professionals - for diamonds are made by friction.

Our Training and Placement Cell at the SRGOC has been working tirelessly to provide our students with the best opportunities, training, and management to help them achieve their dreams. In this issue, we have compiled some inspiring success stories of our alumni, who have made a mark for themselves in their respective field Words have an incredible impact. They can inspire, motivate, and transform. As the Editor, I am acutely aware of this power. Through these pages, we aim to bring you stories of resilience, innovation, and determination. From the classroom to the boardroom, our students and alumni are making waves, and their journeys deserve to be celebrated.

This Magazine is about the voices that echo within our campus-the dreams, the struggles, and the triumphs. We encourage our contributors to share their authentic experiences, peel back the layers, and reveal the heart of their stories.

I extend my heartfelt gratitude to our talented team of faculty members, and placement team who burnt the midnight oil to brighten the lives of their students. Their dedication and devotion have breathed life into these pages.

Congratulations!

With Best Compliments.

Dean

Training & Development  
ShriRam Group of Colleges, Banmore

Visited ShriRam Group of Colleges and significantly motivated and guided our students during his tenure. Here's a glimpse of how Mr. Jirku's interactions enriched our student community:

- **Boosting Technical Expertise:** CSE students received valuable motivation regarding "Digital Twin" during a guest lecture by Mr. Jirku on **19th January 2024** (corrected date based on information provided). He also enlightened students on emerging technologies crucial for success, on National Science Day.
- **Exploring International Opportunities:** Mr. Jirku's lecture titled "Exploring Academic Frontiers: Navigating Internship & Study Opportunities for Indian Students in the Czech Republic" held on **21st January 2024**, informed students about employment and internship prospects available to them in the Czech Republic. (This exposure broadens their horizons and equips them for the global job market.)
- **Effective Learning Methods:** For Management Studies students, Mr. Jirku conducted a session on **23rd January 2024**, explaining how case studies can significantly enhance their understanding of concepts.
- **Enhancing Skills and Productivity:** Mr. Jirku introduced students to the potential of ChatGPT for increased productivity and motivated them towards Data Analytics using Python.
- **Simulating Real-World Scenarios:** He actively participated in the Pharmaceutical Career Accelerator Mock Interview Drive (held on **8th February 2024**) by playing the role of an HR professional. This provided students with a realistic interview experience.
- **Promoting Teamwork:** Mr. Jirku was a part of the one-day workshop titled "Teamwork Makes Dream Work" held on **8th February 2024**, fostering the importance of teamwork among students.

# Words from Industry Leaders

The campus environment was excellent, and the students demonstrated commendable quality and knowledge. They were receptive and flexible in seizing opportunities.

**Mohish Katwar**

**ICICI Bank**

It was a matter of pride to visit Shri Ram College (SRIIT), and I had a wonderful experience interacting with the students and esteemed faculty. I look forward to visiting again and having the opportunity to onboard some talented candidates for our organization.

**Vijay Mishra**

**Genus**  
energizing lives

The management was highly supportive and efficient, ensuring that everything was well-organized. The entire process was smooth, and the students were smart and well-prepared. The Placement Officer and management demonstrated exceptional support and professionalism.

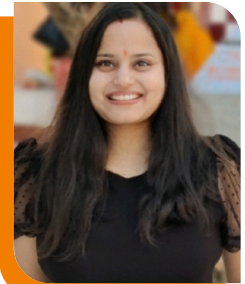

**Kajal Jyotishi**

**Collabera**  
In pursuit of GREATNESS

Kudos to the Placement Officer and management for their exceptional cooperation. We had a great experience during the drive, and we look forward to our next visit to SRGOC.

**Japleen Singh**  
**Tech Mahindra**

Had a great experience during the campus process with a friendly and well-coordinated staff. The students were well-prepared, and the overall process was smooth and well-managed.

**Simran Gupta**

**ICICI Bank**

The campus recruitment process at SRGOC (SRIIT) was exceptionally well-organized. The management and Placement Cell were highly supportive, ensuring a seamless experience. The students showcased great enthusiasm, knowledge, and readiness for industry opportunities. Looking forward to future collaborations!

**Archana Singh**

**Piramal Finance**

The students are soft-spoken, well-mannered, and display great potential. However, they would benefit from more practical learning and industry exposure. Overall, it was a fantastic experience conducting the recruitment drive at the college. Grateful for the warm hospitality and support.

**Meenakshi Moryani Khatuja**

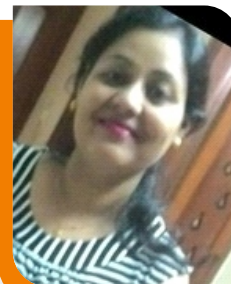

**MARUTI**

A well-maintained campus with cooperative staff members. The students were highly participative and attentive throughout the process.

**Abdul Salam Khan**

**SBI Life**  
Apne liye. Apno ke liye.

It was a great experience visiting SRGOC for the campus recruitment drive. The hospitality was excellent, and the coordination by the Placement Cell was seamless. The CSE students were well-prepared, enthusiastic, and demonstrated strong technical knowledge. Their eagerness to learn and adapt was commendable. Looking forward to future collaborations with SRGOC!

**Manisha Sharma**

**MANTRA LABS**

**ShriRam College of Pharmacy,** Banmore is committed to providing its students with the skills and knowledge they need to succeed in their chosen careers. This past year, the college offered a comprehensive training program designed to equip students with both technical and professional skills.

***Professional Development Training***

- **Resume Writing and Interview Skills:** Students participated in workshops on creating professional resumes, including proper formatting and content. They also received training on interview etiquette, from answering common questions to salary negotiation and post-interview follow-up.

- **Company Culture:** The program incorporated sessions on researching and understanding different company cultures, allowing students to tailor their interview approach to specific organizations.

*Students participated in regular sessions (conducted thrice per week followed by evaluation) in order to understand the depth of concepts involved in pharmaceutical production, quality control and quality assurance.*

- **Quality Control and Quality Assurance:** Students gained a thorough understanding of the concepts and practices of quality control (QC) and quality assurance (QA) in the pharmaceutical industry.

- **Pharmacovigilance:** The training program covered frequently asked questions (FAQs) regarding pharmacovigilance, the process of case processing, and reporting adverse drug reactions.

- **Pharmaceutical Production:** Students were introduced to the concepts and practices of pharmaceutical production, including the manufacturing of tablets, capsules, and sterile preparations. The program also addressed troubleshooting techniques for these production processes.

- **Instrumental Methods of Analysis:** The college provided training on various instrumental methods of analysis commonly used in the pharmaceutical industry, such as Liquid Chromatography (LC), High-Performance Liquid Chromatography (HPLC), Gas Chromatography (GC), UV-Visible spectrophotometry, and IR spectrophotometry.

- **Sterilization Principles:** Students gained a comprehensive understanding of sterilization principles and their application in pharmaceutical manufacturing. All the trainings are subjected to evaluation (both interim, undeclared and post completion) which assists in establishing effectiveness of training and in devising the strategies which are required in delivering the training.

These training program has prepared SRCP students with a strong foundation in both professional and technical skills, making them highly competitive in the job market.

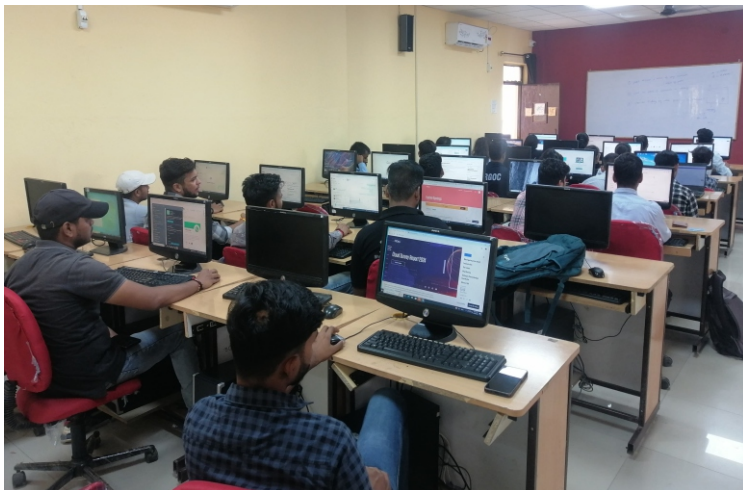

At SRGOC, we are committed to the holistic development of our students, preparing them not just academically but also for the competitive landscape beyond college. Along with a strong focus on technical education, we offer comprehensive training in **verbal ability, logical reasoning, and aptitude—covering both mathematical and English skills**. These sessions are thoughtfully designed to equip students with the analytical and communication abilities necessary to succeed in various competitive examinations. Our goal is to empower students to perform confidently and effectively in selection processes, particularly those conducted by **banks, public sector undertakings, and top consulting and solution-oriented firms**.

Our dedicated training and placement team continuously works to align our programs with industry requirements. As a result of this focused approach, students from SRGOC have successfully secured placements in reputed organizations such as **ICICI Bank and IDS Infotech Solutions**. These companies place significant emphasis on aptitude and reasoning skills during their preliminary screening rounds. By integrating such training into our academic environment, we ensure that our students are not only job-ready but also stand out in competitive recruitment processes.

## EMPOWERING FUTURE-READY PROFESSIONALS

At Shriram Group of Colleges, Banmore, we recognize the critical role that technical training plays in shaping industry-ready professionals. Our training programs are carefully designed to bridge the gap between academic learning and industrial expectations, fostering a culture of innovation, critical thinking, and hands-on expertise. B.Tech (CSE/AI/EC/ME/CE) For engineering students, technical training is aligned with current industry trends and technologies. Core areas include: CSE/AI/EC: Training in Python, Java, C++, Data Structures, SQL, Web Development, Machine Learning, Artificial Intelligence, IoT, and Embedded Systems. Platforms like GitHub, Google Colab, and cloud environments are introduced early to nurture coding discipline and collaborative development. ME/CE: Emphasis on AutoCAD, SolidWorks, ANSYS, STAAD Pro, Revit, MATLAB, CNC programming, and core engineering

simulations. Students also get exposure to project-based learning and digital prototyping tools. Regular industry interaction, hackathons, and hands-on workshops supplement classroom learning, ensuring our engineers are not just job seekers, but job creators. MBA, BBA, B.Com Our management and commerce students undergo rigorous training in: Business Analytics, Excel Proficiency, Financial Modelling, Digital Marketing, Tally ERP, and MIS Reporting. Communication tools like Canva, Google Workspace, and presentation design are integrated to build impactful visual communication skills. Case-study-based learning, live projects, and industry sessions help students apply theory to real business scenarios, preparing them for roles in finance, HR, marketing, and operations. Highlights Across All Programs Collaborative sessions with industry professionals Skill assessments & certifications through platforms like NPTEL, Coursera, and Internshala Capstone projects, internships, and mock interview rounds Our ultimate goal is to equip every student with the technical acumen, confidence, and adaptability to thrive in a competitive global workplace.

*Mock drives and technical training programs are essential components of preparing students from diverse academic backgrounds, including B.Tech, MBA, BBA, and B.Com, for the competitive job market. These initiatives aim to equip students with the necessary skills, knowledge, and confidence to excel in their respective fields and secure rewarding career opportunities.*

**B.Tech Students:Technical Training:** B.Tech students typically undergo rigorous technical training focused on programming languages, data structures, algorithms, software development methodologies, and other relevant subjects tailored to their specific engineering discipline (e.g., computer science, electronics, mechanical).

**MBA Students:Management Training:** MBA students receive training in various management domains such as finance, marketing, operations, human resources, and strategic management. This training encompasses case studies, business simulations, industry projects, and workshops conducted by experienced faculty and industry professionals.

**BBA Students:Business Education:** BBA students undergo comprehensive training in fundamental business disciplines such as accounting, economics, management, marketing, and entrepreneurship. This education combines theoretical knowledge with practical applications through internships, industry visits, and guest lectures.

**B.Com Students:** Commerce Education: B.Com students receive education in accounting, finance, taxation, auditing, business law, and related subjects. They develop proficiency in financial analysis, bookkeeping, taxation laws, and regulatory compliance through theoretical study and practical training. In conclusion, mock drives and technical training programs play a vital role in grooming B.Tech, MBA, BBA, and B.Com students for successful

careers in their respective fields. By providing structured learning opportunities, practical experience, and professional development support, these initiatives empower students to transition seamlessly from academia to the workforce and thrive in dynamic and competitive job markets.

## ***The SRGOC Training and Placement Cell: Facilitating a Seamless Transition into the Workforce - A Prospective:-***

*The landscape of pre-placement assessments, interviews, and candidate evaluations is constantly evolving.*

*In turn, the approach to student training must adapt accordingly. Recognizing its critical role in connecting students with prospective employers, the SRGOC Training and Placement (T&P) Cell is dedicated to identifying these evolving requirements and implementing proactive action plans to ensure our candidates' success. The T&P Cell is and will be actively engaged in:*

- **Identifying New Training Needs:** Through ongoing research and industry engagement, we proactively identify emerging skill sets sought after by employers.
- **Developing Skill-Building Programs:** We tailor workshops and programs to equip students with these in-demand competencies, fostering their employability.
- **Facilitating Career Exploration:** The T&P Cell offers comprehensive career counseling services to assist students in charting their professional paths.
- **Connecting with Industry Leaders:** We cultivate strong relationships with potential employers through career fairs and networking events, fostering mutually beneficial partnerships.
- **Pre-Placement Industry Engagement:** The T&P Cell organizes a series of initiatives to prepare students for real-world scenarios, including:
  - **Executive Guest Lectures:** Mid-to-top level industry professionals are invited to campus to share insights and guidance aligned with current corporate expectations.
  - **Mock Interview Sessions:** We provide students with opportunities to practice their interview skills in a simulated environment, receiving constructive feedback from experienced personnel.
  - **Sector-Specific Panel Discussions and Seminars:** Experts from targeted industries engage with students in interactive discussions, offering valuable industry-specific knowledge.

**Placement Statistics Tracking:** The T&P Cell diligently tracks placement trends and outcomes, enabling continuous program improvement.

Steadfast in its commitment to bridge the gap between theoretical education and practical industry needs. Our core objective is to empower students by fostering their professional development and ensuring a smooth and successful transition from academia to the workforce.
