THE SHRIRAM NEWS BULLETIN

From the Editor's Lens

Dear Readers

Wish you a very Happy New Year ! This edition of ShriRam News Bulletin captures a month of vibrant academic and cultural engagement across the campus. Students gained valuable industry exposure through industrial visits, hands-on trainings, workshops, expert lectures, and enriching faculty forums, while meaningful collaborations were strengthened with the signing of new MOUs.

The spirit of tradition and patriotism was celebrated through Basant Panchami, Republic Day festivities, and the energetic Tiranga Yatra. Alongside this, placement drives and regular Placement Corner updates highlighted encouraging career progress.

As we reflect on these milestones, we also look ahead with enthusiasm to the upcoming events that promise continued learning, collaboration, and growth.

Warm Regards,
Alka Chaturvedi

Message from Group Director

Dear Readers,

ShriRam Group of Colleges has consistently taken steps to provide quality education through experienced faculties, well-structured academic programs, modern infrastructure, and a learner-centered approach.

We have introduced skill-based courses, value-added programs, internships, workshops, seminars, industrial visits, and collaborative activities to ensure that our students are not only academically strong but also industry-ready and socially aware. Our focus has always been on holistic development—academic excellence combined with ethical values and practical exposure.

However, the true strength of an institution lies in its students. I urge each one of you to uphold the values of discipline, respect, integrity, and responsibility.

A Shriram student is expected to be punctual, sincere in academics, respectful towards teachers and peers, and committed to personal growth. Your behavior, attitude, and conduct inside and outside the campus reflect not only your personality but also the reputation of the institution. Let your actions demonstrate honesty, kindness, teamwork, and a willingness to learn.

The college provides numerous opportunities, but it is up to you to make the best use of them. Participate actively in academic activities, co-curricular and extracurricular programs, research initiatives, cultural events, sports, community outreach, and leadership platforms. These opportunities are designed to build confidence, communication skills, critical thinking, and resilience—qualities essential for success in today's competitive world.

As the Group Director, I assure you that Shriram Group of Colleges will continue to support, guide, and empower you in your academic and professional journey. Together, let us strive to create a culture of excellence, mutual respect, and continuous learning.

I wish you all a future filled with growth, success, and meaningful contributions to society.

With Best Wishes,

Dr. Vinay Jain
